### Press Release 4/13/18

On April 12, 2018 at approximately 9:17 PM the Riverdale Police Department responded to a call of shots fired in the area of 13700 block S. Wallace. Upon arrival Officers located three gunshot victims, their ages ranged from 19 to 25 years of age. Two of the victims were transported to Christ Medical Center in Oak Lawn in critical, but stable condition. The third was transported to Metro South in Blue Island with a non-life threatening gunshot wound. Witnesses relayed that the three victims were standing in the drive way of a residence and were approached by two to three armed Offenders. These Offenders fired multiple shots at the Victims. The offenders fled on foot and have not been located at this time. The Offenders are described as male blacks 19 to 25 years of age. The Illinois Law Enforcement Alarm System was activated for the assistance of additional law enforcement personal in crowd control and crime scene securement. Illinois State Police Crime Investigator's processed the scene. Detectives are currently following multiple leads and interviewing witnesses.
